Independent Commission

The special counsel only looks into criminal activity. We need an independent commission. We need more staff in order to find out if the 2016 election was affected by Russia – and stop it happening again. Watergate had 133 staffers. This one has 9. We need a detailed report. Senator Cantwell has not co-sponsored this bill. Please call her and ask her why not? This is bill S. 27: goo.gl/k6lgrH

According to: <https://www.indivisibleguide.com/resource/truth-or-trump/>
&
<https://www.standupamerica.com/five-reasons-still-need-independent-commission/>
It would "establish a commission of independent experts to examine the facts regarding Russia and the 2016 election"
