Make no mistake: our fight to protect health care funding has merely moved to slashes in the upcoming budget. Trump would benefit from his tax plan: <https://goo.gl/p5w4WM>.

### **Birth Control Coverage Rollback**

Stop the rollback of birth control coverage under ACA. Our AG, Bob Ferguson is suing, of course: but this is unacceptable. Contact Rep. Kilmer: P: (202) 225-5916 , and our senators.

## ACA Signups

Please contact our senators and Rep. Kilmer and ask them to spread the word about ACA signups. Signups are from Nov. 1-Dec. 15<sup>th</sup>: a much shorter time period than before.

Rep. Kilmer: P: (202) 225-5916

In addition, they have slashed the advertising budget.

Also, call friends / democrats in red states and ask them to contact their reps and spread the word about ACA signups. If you don't have friends in red states, you can find other indivisibles by going to <https://www.indivisible.org/act-locally/> and finding a group there and contacting them. Talk to them / email about contacting their MoCs.

## Other Actions & News

Comment on discipline in WA Schools: The Office of Superintendent for Public Instruction is proposing new state rules regarding school discipline. There will be an option for public comment by Nov. 13. It is important for parents, teachers, students, and others who care about education to weigh in on this. Some of us have seen how exclusionary school discipline policies like suspension or isolation have negatively affected our children. End the school to prison pipeline!

OSPI welcomes and encourages comments on the proposed rules. Please submit written comments to Dierk Meierbachtol, OSPI Chief Legal Officer, by November 13, 2017, at 5:00 p.m.
